Dear Vinnie:

I enjoyed hearing from you the other day and trust you are doing well. I have approved your request for publishing the Brewers schedule in accordance with the format as submitted to me along with your letter of March 29, 1985.

As I mentioned on the phone to your assistant, we request that the newspaper forward us a proof prior to publication so that we may verify the accuracy of the schedule. Unfortunately, we have had some serious problems in the past because of mistakes in printing our schedule and consequently we have adopted the policy of checking all schedules for accuracy.

Again, it was good talking to you.

Yours very truly,

Gabe Paul Jr.
